Sunday, **June 13th**, 2010 -- *RACING* from 8:30 a.m. to approximately 3:00 p.m.
(Open Water, Friday, **June 11th**, 2010 starting at 2:00 p.m.)

Where: **Eagle Lake** in Del City (See map below)

* *Bring your lawn chairs and ice chests!*

***IMPBA rules apply*

These are nitro and gas powered 2-cycle motors capable of 30,000 rpms. Some classes run up to 80 miles per hour and will back you off the shore! Hull classifications include hydro, mono, tunnel, catamaran, and scale. Scales are built just like the big hydroplanes that you've seen on TV such as Miss Budweiser 1/8 scale! We also have gas classes which run with specialized "weedater" motors.

COME JOIN THE FUN!!!

IMPBA RULES WILL BE ENFORCED

If you are interested in racing at this event, please contact Harald Ekkjestol harald31@start.no for an entry form.

NORTH SIDE OF RENO AVE. AT SCOTT ST.
